

JOB OPPORTUNITY

GEOTECH ENGINEER-IN-TRAINING

STATUS: FULL-TIME
LOCATION: BARRIE

Cambium is a successful consulting and engineering company built on quality people doing great work in a rewarding environment. It's our team that makes us unique. And...our team is growing! We are currently seeking a **Geotechnical Engineer-in-Training** to join our group.

JOB DUTIES

- Proposal preparation and participation in project planning and budgeting, as directed.
- Conducting field work associated with a wide range of geotechnical projects including, borehole drilling, test pitting, granular compaction testing using nuclear density gauge, testing and monitoring placement of concrete, compaction testing and placement monitoring of asphalt, aggregate and material sampling at job site, independent field reviews of various stages of civil construction, sampling of media, observing and monitoring work practices on construction and development projects, surveys and assessments, and supporting intrusive investigations.
- Technical interpretation of specifications and drawings.
- Filing and management of all project related field notes including some data entry and assistance with report preparation and writing.
- Collection of field data, including interviewing of third parties, and compilation of field notes, and photographs.
- Analysis of data and preparation of technical reports, work plans, and project specifications.
- Coordinate and liaison with contractors, and vendors.

QUALIFICATIONS

- Bachelor of Science or Engineering Degree in a geotechnical field, working toward EIT, PEO, or APGO
- 1 to 5 years employment experience
- Pleasure Craft Operators Card and Valid Driver's License and access to a reliable vehicle.

ADDITIONAL ASSETS

- CCIL – Category "0" Concrete Technician
- Category "C" Aggregate Technician, CCIL
- Category "B" Asphalt Technician
- CSA W178 Level 1 or higher
- Independent field reviews of various stages of civil construction and building envelopes
- Advanced report writing skills and technical interpretation of specifications and drawings

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

If you're interested, send us some information that helps us understand how you are the right fit for this role and for our team. Kindly forward your documents, in electronic format only, to hr@cambium-inc.com.

WHY CAMBIUM?

Our team is different. From camping trips and movie nights, to company ball-hockey tournaments in the parking lot, our team likes to have a good time together.

Our team is hard-working. You'll need to be flexible and able to switch priorities frequently. Sometimes the days are long. But you are always compensated for your efforts, including a minimum 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
