- Transcribing field reports and other documents.
- Identifying non-technical errors and omissions in data and following up with field staff, lab staff, and Project Leads as necessary.
- Support the training of junior/intermediate staff on proper completion of field reports.
- Prepare multi-page digital (PDF) and hardcopy project deliverables as required and arrange transmittal to client as directed.
- Receive and input various lab tests and invoices.
- Receive, scan and input field and laboratory reports.
- Perform filing tasks across all service lines in a timely and accurate manner.
- Coordinate and liaison with staff, clients, and contractors, as required.
- Work closely with the Construction Monitoring Project Coordinators to ensure client needs are being met.
- Provide coverage for office reception when needed.
- Other duties as required, or directed.
- Shiftwork and overtime may be required.

### REQUIREMENTS/QUALIFICATIONS

- Experience in an administrative capacity considered an asset.
- Ability to write and format moderately complex documents (letters, reports)
- Resourcefulness and flexibility.
- Strong working knowledge of MS Office (Excel, Word, Outlook) and Acrobat.
- Excellent writing skills, including proper spelling, grammar, and punctuation.
- Superior time management, and multitasking skills, and the ability to prioritize tasks.
- Sound and independent judgment, reasoning, and discretion.

## **JOB OPPORTUNITY**
