- Conducting fieldwork associated with a wide range of projects including, borehole drilling, test pitting, granular compaction testing using nuclear density gauge, testing and monitoring placement of concrete, compaction testing and placement monitoring of asphalt, aggregate and material sampling at job sites, independent field reviews of various stages of civil construction, sampling of media, observing and monitoring work practices on construction and development projects, surveys and assessments, and supporting intrusive investigations.
- Filing and management of all project-related field notes including some data entry and assistance with report preparation and writing.
- Collection of field data, including interviewing of third parties, and compilation of field notes, and photographs.
- Coordinate and liaison with contractors, and vendors

QUALIFICATIONS

- Enrolled in a Geotechnical or Civil Engineering Co-op program in College or University
- The successful candidate will demonstrate excellent communication skills with fluency (reading, writing and oral) in English.
- Valid Driver's License and access to a reliable vehicle.

ADDITIONAL ASSETS

- CCIL – Category "0" Concrete Technician
- Category "C" Aggregate Technician, CCIL
- Category "B" Asphalt Technician
- Relevant work experience

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

If you're interested, send us some information that helps us understand how you are the right fit for this role and our team. Kindly forward your documents, in electronic format only to hr@cambium-inc.com.

JOB OPPORTUNITY

Geotechnical/Civil Engineering Technologist Co-Op

WHY CAMBIUM?

Our team is different. From camping trips and movie nights to company ball-hockey tournaments in the parking lot, our team likes to have a good time together. When we cannot be together (welcome to 2021), we continue to maintain our team's bond, through activities such as photo contests, shout-outs of appreciation and care packages.

Our team is hard-working. You'll need to be flexible and able to switch priorities frequently. Sometimes the days are long. But you are always compensated for your efforts, including a minimum of 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
