

JOB OPPORTUNITY

Geotechnical Engineer

JOB ID: GEOHire3
STATUS: Permanent, Full-Time
LOCATION: Barrie, Ontario

Cambium Inc. is a successful consulting and engineering company built on quality people doing great work in a rewarding environment. It's our team that makes us unique.

And...our team is growing! We are currently seeking **Geotechnical Engineers** to join our team.

JOB DUTIES

- Responsibilities may include, but are not limited to project planning, scheduling, allocation of personnel and resources, budgeting, and regular communication with clients.
- Project coordination, technical leadership, and technical design for public and private sector clients in Ontario.
- Experience in developing and administering project proposals, work plans, and project costing/budgeting.
- A thorough knowledge of and ability to interpret regulations, guidelines and standards.
- Ensure that all assigned project components are executed in accordance with the proposed work plan unless authorisation for a change is received from the client.
- May be responsible for invoicing clients on a monthly basis as assigned by senior management.
- Directly responsible for the health and safety of any person working on an assignment; conduct project site inspections to ensure compliance with all safety and government regulations.
- Directly accountable for revenue, costs and profitability on all project tasks assigned.
- Provide training to junior and intermediate Cambium personnel
- Oversee multiple geotechnical projects simultaneously.
- Conduct field investigations to acquire appropriate data.
- Prepare and review geotechnical reports.
- Oversee shallow and deep foundation design.
- Ensure that appropriate resources are provided to enable engineering support and training support to be provided for all projects in a timely and cost-effective manner.
- Effectively apply our methodology and enforce project standards.
- Minimize exposure and risk on projects.
- Analyze survey reports, maps, drawings, blueprints, aerial photography, and other topographical or geologic data to plan projects.
- Provide feedback and advice regarding the technical and structural aspects of company projects to management and other project leaders.
- Create technical reviews and provide recommendations regarding designs and reports prepared by consulting engineers.
- Overtime and travel may be required.
- Other duties as necessary.

QUALIFICATIONS

- Typically Bachelor of Science or Engineering Degree
- Minimum of 3 years of experience required (in an engineering consulting environment in Ontario preferred)
- Licensed professional engineer in the province of Ontario (P.Eng.)
- A thorough knowledge of and ability to interpret regulations, guidelines and standards.
- The successful candidate will demonstrate excellent communication skills with fluency (reading, writing and oral) in English.
- A valid Driver's License and access to a reliable vehicle.

JOB OPPORTUNITY

Geotechnical Engineer

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process

If you're interested, send us some information that helps us understand how you are the right fit for this role and our team. Kindly forward your documents, in electronic format only, to hr@cambium-inc.com.

WHY CAMBIUM?

Our team is different. From camping trips and movie nights to company ball-hockey tournaments in the parking lot, our team likes to have a good time together. When we cannot be together (welcome to 2021), we continue to maintain our team's bond, through activities such as photo contests, shout-outs of appreciation and care packages.

Our team is hard-working. You'll need to be flexible and able to switch priorities frequently. Sometimes the days are long. But you are always compensated for your efforts, including a minimum of 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
