- Superior technical skills and attention to detail
- Good problem solver with ability to identify alternative solutions;
- Ability to perform various calculations and data manipulation in Excel;
- The ability to work with multiple people and prioritize tasks is a must;
- The ability to work under pressure and meet tight deadlines;
- Ability to work well under pressure
- Desire to succeed in a dynamic, progressive organization
- Works well independently as well as a part of a team
- Written and verbal communication skills are essential. Ability to communicate well with others and engage in technical conversations
- A valid driver's license and access to a reliable vehicle.

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

If you're interested, send us some information that helps us understand how you are the right fit for this role and for our team. Kindly forward your documents, in electronic format only, to [hr@cambium-inc.com](mailto:hr@cambium-inc.com).

#### **WHY CAMBIUM?**

Our team is different. From camping trips and movie nights, to company ball-hockey tournaments in the parking lot, our team likes to have a good time together.

Our team is hard-working. You'll need to be flexible and able to switch priorities frequently. Sometimes the days are long. But you are always compensated for your efforts, including a minimum 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
