

## **JOB OPPORTUNITY**

### **ENVIRONMENTAL TECHNICIAN (HAZARDOUS MATERIALS)**

**STATUS:** PERMENANT, FULL-TIME

**LOCATION:** PETERBOROUGH, ON

Cambium is a successful consulting and engineering company built on quality people doing great work in a rewarding environment. It's our team that makes us unique. We are currently seeking an **Environmental Technician (Hazardous Materials)** to join our group.

#### **JOB DUTIES**

- Conducts building assessments for identification of designated substances and hazardous substances including but not limited to asbestos, lead, mercury, silica, mold, PCBs.
- Inspection and/or air sampling during abatement projects to ensure adherence to applicable regulation, standard, guideline etc.
- Prepares, calibrates and maintains sampling equipment.
- Collection and maintenance of detailed field notes and observations.
- Liaising and monitoring contractors on behalf of clients.
- Completes data entry and assists with data interpretation.
- Generating and assisting with preparation of deliverable documentation such as reports, drawings, data tables, and graphs.
- Provides regular project updates and refers any complex or unusual matters to the project coordinator or manager.
- Proposal preparation for hazardous materials investigations and remediation/abatement work.
- Carries out tasks as assigned and seeks/receives technical guidance as required.

#### **QUALIFICATIONS**

- A minimum of 2-3 years' experience in a similar role, consulting industry preferred
- Diploma or degree in science, engineering or Occupational Health & Safety
- A related designation or working towards designation (e.g. C.E.T., CIH, ROH, CRSP) would be an asset.
- Experience with identification, collecting air and bulk hazardous materials (asbestos, mold, lead, dust, PCBs) samples.
- Solid understanding of provincial and federal regulatory requirements acquired through experience and education;
- Experience interpreting legislation and regulations, surveying and sampling,
- Outstanding organizational, communication, and technical skills, attention to detail and the ability to manage several assignments at one time
- Ability to work well under pressure and meet deadlines
- Exceptional problem solving and critical thinking skills
- Proficiency using Microsoft Office Suite is essential

## **JOB OPPORTUNITY**

### **ENVIRONMENTAL TECHNICIAN (HAZARDOUS MATERIALS)**

- Strong written and verbal communication skills are essential. Ability to communicate well with others and engage in technical conversations
- Must be available to work some weekends, unscheduled hours and nights.
- Ability to travel to remote areas and for extended periods of time as required
- Valid Driver's License and access to a reliable vehicle

#### **ESSENTIAL ATTRIBUTES**

- Effective team player – enthusiastically supports other team members as needed.
- Open to new responsibilities – not focused on what is or is not in the job description.
- Putting in extra effort – sticking around longer than usual to help out when needed.
- Not afraid to get dirty, real dirty – sometimes that's what it takes.
- Professional, responsive, and positive work attitude.

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

If you're interested, send us some information that helps us understand how you are the right fit for this role and for our team. Kindly forward your documents, in electronic format only, to [hr@cambium-inc.com](mailto:hr@cambium-inc.com).

#### **WHY CAMBIUM?**

Our team is different. From camping trips and movie nights, to company ball-hockey tournaments in the parking lot, our team likes to have a good time together.

Our team is hard-working. You'll need to be flexible and able to switch priorities frequently. Sometimes the days are long. But you are always compensated for your efforts, including a minimum 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
