

JOB OPPORTUNITY

Environmental Specialist, Source Water Protection

JOB ID: ENVHire28
STATUS: Permanent, Full-time
LOCATION: Peterborough, Oshawa, Kingston, or Barrie, Ontario

Cambium Inc. is a successful consulting and engineering company built on quality people doing quality work in a rewarding environment. It's our team that makes us unique. We are currently seeking an **Environmental Specialist** to join our **Natural Sciences Group**. This role will primarily focus on providing technical and administrative support to our **Source Water Protection** team.

Please note: This vacancy is open for any of our Ontario office locations and remote work opportunities may be available for applicants located in the counties of Brant or Norfolk, Ontario.

JOB DUTIES

- Provide project support and technical expertise to Source Water Protection projects, ideally with an emphasis on policy and implementation
- Perform the duties of Risk Management Official and/or Risk Management Inspector, including obtaining and maintaining the provincial training requirements
- Draft letters, factsheets, notices, and Risk Management Plans
- Conduct preliminary reviews of development applications using on-line mapping programs and databases
- Complete site visit and inspection documentation such as project field reports and field notes
- Assists with report writing and ensure work is completed with accuracy and precision
- Generally, works under the supervision of senior staff, project coordinators/managers
- Committed to health and safety procedures and practice
- Performs other responsibilities associated with this position as may be appropriate
- Travel and shiftwork may be required in all seasons and weather conditions

QUALIFICATIONS

- Bachelor's degree or College diploma in a related field: Environmental Science, Water Resources, etc.
- 5-7 years of Source Water Protection experience
- Knowledge of and experience working on implementation of Source Protection Plans required
- Familiarity and experience with MS Office (Excel, Word, Outlook) and Adobe Acrobat
- Provincial Risk Management Official/Inspector training and/or Property Entry training considered an asset
- Outstanding organizational and communication abilities
- Superior technical skills and attention to detail
- Experience with mapping and data management in ArcGIS considered an asset
- Experience working with the agricultural sector considered an asset
- The successful candidate will demonstrate excellent communication skills with fluency (reading, writing, and oral) in English
- Valid Driver's License and access to a reliable vehicle

JOB OPPORTUNITY

Environmental Specialist, Source Water Protection

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process

If you're interested, send us some information that helps us understand how you are the right fit for this role and our team. Kindly forward your documents, in electronic format only, to hr@cambium-inc.com.

WHY CAMBIUM?

Our team is different. From camping trips and movie nights to company ball-hockey tournaments in the parking lot, our team likes to have a good time together.

Our team is hard-working. You'll need to be flexible and able to switch priorities frequently. Sometimes the days are long. But you are always compensated for your efforts, including a minimum 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
