Cambium is a successful consulting and engineering company built on quality people doing great work in a rewarding environment. It's our team that makes us unique. We are currently seeking **Environmental Technicians** to join our teams in Peterborough, Kingston and Oshawa.

JOB DUTIES

- Collection of soil samples during drilling, test pitting and excavation activities
- Monitoring and collection of groundwater samples utilizing a wide variety of equipment
- Experience with groundwater pump and treatment systems
- Supervision of drillers and other contractors
- Operation of various types of field monitoring equipment (e.g. hand augers, handheld XRF, GPS, data loggers, survey level, combustible gas meters, etc.)
- Completion of field documentation such as project field reports, field notes, and laboratory chain-of-custody forms
- Assists with report writing and ensures their work is completed with accuracy and precision
- Generally works under the supervision of senior staff, project coordinators/managers
- Committed to health and safety procedures and practice
- As required, contributes towards project completion in a technical capacity
- Equipment calibration, maintenance, and repair
- Provide technical support and mentor junior field staff, as required
- Perform other responsibilities associated with this position as may be appropriate
- Travel and shiftwork may be required in all seasons and weather conditions

QUALIFICATIONS

- Bachelor of Science or Engineering degree or College diploma in a related field
- 1-2 years' experience, preferably in a consulting environment
- Outstanding organizational and communication abilities
- Superior technical skills and attention to detail
- Experience analyzing environmental sample data and reporting results to regulatory bodies and stakeholders
- Strong Microsoft Excel and Word skills
- A valid Class 5 well license would be an asset
- Desire to succeed in a dynamic, progressive organization
- The successful candidate will demonstrate excellent communication skills with fluency (reading, writing and oral) in English.
- Valid Driver's License and access to a reliable vehicle

JOB OPPORTUNITY

Environmental Technician

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

If you're interested, send us some information that helps us understand how you are the right fit for this role and for our team. Kindly forward your documents, in electronic format only, to hr@cambium-inc.com.

WHY CAMBIUM?

Our team is different. From camping trips and movie nights to company ball-hockey tournaments in the parking lot, our team likes to have a good time together.

Our team is hard-working. You'll need to be flexible and able to switch priorities frequently. Sometimes the days are long. But you are always compensated for your efforts, including a minimum 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
