- Responsibilities include scheduling, allocation of personnel and resources, supervision of project personnel, and communication with the client
- Provides training to technicians and technologists
- Develop work programs and execute project components in accordance with the proposed work plan
- Provides regular project updates and collaborates with solution development with Project Leads
- Works independently yet collaboratively with team members
- Responsible for the health and safety of any person working on an assignment under the supervision of the project coordinator
- As required, takes courses, attends training seminars, etc. to maintain an "up-to-date" standard of knowledge
- Participation in project planning and budgeting
- Shiftwork, travel and overtime may be required

QUALIFICATIONS

- Civil or Geotechnical, Technician or Technologist Diploma, or similar. Bachelor of Science or Engineering Degree (Minimum requirement is a college diploma and/or related experience)
- 3-5 years experience working with mould/indoor air quality investigations and hazardous materials, building science, construction, or other related fields
- Experience interpreting legislation and regulations, surveying and sampling

JOB OPPORTUNITY

Senior Technologist/Project Coordinator

- Familiarity with federal and provincial environmental legislation and regulations
- Attention to detail in all undertakings is essential
- Superior organizational and communications skills are essential
- Desire to succeed in a dynamic, progressive organization
- A high level of integrity and pride in quality work is imperative
- Valid Driver's License and access to a reliable vehicle
- Proven technical writing skills
- Strong interpersonal, verbal, and written communication with fluency in English, and organizational skills

ADDITIONAL ASSETS

- Experience with collection of PCM air samples
- Trained microscopic analyst in accordance with NIOSH Method 7400
- Understanding of Provincial/Federal Regulations and experience on Provincially/Federally managed sites

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

If you are interested, we invite you to send us some information that would help us understand whether you are the right fit for this role and for our team. Kindly forward your documents, in electronic format only, to hr@cambium-inc.com.

WHY CAMBIUM?

Our team is different. From camping trips and movie nights to company ball-hockey tournaments in the parking lot, our team likes to have a good time together.

Our team is hard-working. You'll need to be flexible and able to manage priorities. Sometimes the days are long. But you are always compensated for your efforts, including a minimum of 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
