

JOB OPPORTUNITY

CQV Project Manager

JOB ID: CQVHire2
STATUS: Full-time, Permanent
LOCATION: Barrie or Oshawa, Ontario

Cambium is a successful consulting and engineering company built on quality people doing great work in a rewarding environment. It's our team that makes us unique.

And...our team is growing! We are currently seeking a **Construction Testing and Inspection Project Manager** to join our team. This is an intermediate/senior level position for individuals who carry out various initiatives independently and work in close association with other staff members, including project managers and technicians. In this role the candidate will provide mentorship and technical support to intermediate and junior staff, and will be strongly focused on managing client relationships.

JOB DUTIES

- Prepare proposals, and completes project planning, scheduling, allocation of personnel and resources, budgeting, overall supervision of project personnel, reporting, and regular communication with clients.
- Invoices clients on a monthly basis unless an alternative payment schedule is established.
- Retains existing clients and acquires new clients.
- Safeguards the health and wellbeing of any person working on an assignment under the project manager's supervision.
- Accountable for revenue, costs and profitability of projects under their management.
- As required, the project manager will participate in projects in a technical capacity, including:
 - performing various types of construction materials testing,
 - receiving and logging in of samples, calibration and overseeing maintenance of equipment,
 - independent field reviews of various stages of civil construction, and
 - report writing and technical interpretation of specifications and drawings.
- Provides training, guidance, and mentorship to junior Cambium personnel in accordance with their knowledge base.
- Creates technical reviews and provides recommendations regarding designs and reports prepared by consulting engineers.
- Travel, shiftwork and overtime may be required.

QUALIFICATIONS

- Civil or Geotechnical, Technician or Technologist Diploma, or similar. Bachelor of Science or Engineering Degree
- 5+ years relevant experience.
- Attention to detail in all undertakings is essential
- Superior organizational and communications skills are essential
- Desire to succeed in a dynamic, progressive organization

JOB OPPORTUNITY

CQV Project Manager

- Familiarity with federal and provincial environmental legislation and regulations
- A high level of integrity and pride in quality work is imperative.
- The successful candidate will demonstrate excellent communication skills with fluency (reading, writing and oral) in English.
- Valid Driver's License and access to a reliable vehicle.

ADDITIONAL ASSETS

- CCIL – Type “QF” Concrete Technician
- CSA W178 Level 1 or higher
- NACE coating certification

Cambium welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

If you're interested, send us some information that helps us understand how you are the right fit for this role and our team. Kindly forward your documents, in electronic format only, to hr@cambium-inc.com.

WHY CAMBIUM?

Our team is different. From camping trips and movie nights to company ball-hockey tournaments in the parking lot, our team likes to have a good time together.

Our team is hard-working. You'll need to be flexible and able to manage priorities. Sometimes the days are long. But you are always compensated for your efforts, including a minimum of 3 weeks of vacation for new, full-time team members.

Our team is proud. Flexible scheduling. Donating a portion of our net income each year to local causes and events. Winning awards. You'll find it easy to feel good about Cambium.
